Activity leaders (especially for movement activities)

See? Many hands make light work. Can you share something you love? A 50-minute activity session can be fun for everybody! Each activity period, we like to offer something for the BODY, the MIND, and the SOUL.

As we plan Women's Mini Week this year, we are remembering our own favorite activities. Are you old enough to remember square dancing in the pole barn that very hot night? Or liturgical dancing by candlelight?

We cannot wait to hear from you!

Anne, Barb, and Connie
